

## **STORYTELLING BY THE CAMPFIRE**

Prepare a five-minute story about a person, place, or memory at camp.

### Tips:

- Prepare - write your story down ahead of time!
- Topic ideas - a lesson learned, a value instilled, a friend made, a new experience
- Describe the setting - time/place, other people there
- What has changed about camp since this time? What has stayed the same?
- Why has this story stayed with you over the years, and what does it say about camp?
- Was anyone else at the Reunion part of the story?
